

**Extraordinary General Meeting
of
Thornbury and District Community Association
to be held in the Slymbridge Room at the Chantry
on
Wednesday 12th June 2024 at 7:30pm**

The charity which manages the Chantry Community and Arts Centre (TDCA) is in the final stages of changing its structure to that of a CIO (Charitable Incorporated Organisation), which is now the normal structure for a charitable organisation of its size.

The reasons behind this change were presented at the Annual General Meeting held on 11th November 2021. Those present at the that meeting unanimously voted to support the setting up of a CIO which would replace the current unincorporated charity.

The CIO has now been successfully established and the constitution has been approved by the Charity Commission. It was previously agreed that an Extraordinary General Meeting would be held to approve the dissolution of TDCA prior to operations being transferred to the new organisation.

The meeting will vote on the following resolution:

“It is hereby resolved that Thornbury and District Community Association Charity be dissolved by 31st December 2024 and the entire undertaking of the Charity be transferred to The Chantry Community and Arts Centre CIO. The Council of the association are hereby authorised and instructed on behalf of the Charity to do all such things and incur such costs as shall be required to give effect to this resolution as the Council of the association shall determine. “

If you would like to attend the meeting, please notify the Chantry office by email (office@thechantry.org.uk) at least 3 days in advance, so that plans can be made for the appropriate number of attendees.
