

**Extraordinary General Meeting
of
Thornbury and District Community Association
To be held in the Elton Room at the Chantry
on
Wednesday 12th June 2024 at 7:30pm**

The charity which manages the Chantry Community and Arts Centre (TDCA) is in the final stages of changing its structure to that of a CIO (Charitable Incorporated Organisation), which is now the normal structure for a charitable organisation of its size.

The reasons behind this change were presented at the Annual General Meeting held on 11th November 2021. Those present at the that meeting unanimously voted to support the setting up of a CIO which would replace the current unincorporated charity.

The CIO has now been successfully established and the constitution has been approved by the Charity Commission. The bank account is set up ready for the transfer of funds to take place.

It was agreed that an Extraordinary General Meeting would be held prior to the final transfer taking place, in order to address any questions and seek approval for the assets of TDCA to be transferred to the new organisation.

If you would like to attend the meeting, please notify the Chantry office by email (office@thechantry.org.uk) at least 3 days in advance, so that plans can be made for the appropriate number of attendees.
